first introduced in 1979 the handbook for marine ncos is recognized as the essential reference guide of the nco corps marine ncos of all grades rely on its reliability as the standard reference guide for the military professional while this thoroughly revised

5th edition reflects all of the many changes in the organization of the corps since the publication of the previous edition in 1995 it continues to primarily focused on helping marine ncos make the most of their chevrons and to get ahead in the corps it is the only book that provides a practical and easy to use reference guide to all of the many official military regulations and instructions that an nco needs to know it offers sound advice and up to date information on military matters that assists the new nco to easily acquire a firm understanding of all of the different specialties and fields in the usmc and serves as a quick refresher for even the most seasoned nco this revised and updated edition will remain the standard reference guide for marine ncos for years to come

mission effective 1 january 2018 the total force will conduct the training and evaluation of 30 tasks designated in the bst program in order to sustain skills common for all marines execution commanders intent the bst program provides a structured approach for the service to ensure all marines sustain proficiency in 30 of the 178 common skills taught during entry level training the program will emphasize training using a leader led face to face approach small unit leaders noncommissioned officers and above will be the primary trainers and evaluators marines private through general will annually demonstrate their mastery of these common skills commanders will have flexibility in their approach to training and evaluating their units concept of operations the bst program effectively begins 1 january 2018 as a calendar year requirement however commanders can immediately start incorporating bst training into their unit training plans and are encouraged to begin preparing their small unit leaders to conduct and evaluate the 30 common skills training support packages tsp and associated performance evaluation checklists for each of the 30 bst skills are online to assist small unit leaders the tsps provide small unit leaders the required information performance steps and evaluation criteria to facilitate leader led training the training is designed to be conducted in any environment from garrison to field on the flight line in the motor pool maintenance bay or on ship units may find that many of these skills are already embedded in their unit training plan thereby minimizing the impact of the bst program commanders determine how and when the training and evaluation will occur throughout the calendar year options range from training and evaluation over the course of a year to training throughout the year and then consolidating evaluation into a culminating event to foster esprit de corps for example training and evaluation can be combined in a teach it test it method where marines are evaluated immediately after the training is conducted or marines can be trained and then evaluated on a later date all marines have previously been taught these skills during entry level training thus the expectation is that marines have the ability to easily refresh and sustain these skills however if unable to pass marines will have multiple opportunities to remediate commanders

have the entire calendar year to ensure their marines train and pass all 30 of the skills and will ensure that training is recorded the 30 skills of bst program are basic infantry skills conduct observation defend a position describe the use of deadly force employ a map and compass handle detainees identify anomalies perform actions with a service rifle perform immediate action upon contact with the enemy perform weapons handling procedures with a service rifle search an individual stand a sentry post visually identify indicators of improvised explosive devices communications communicate using hand and arm signals operate a vhf radio submit a message first aid apply a tourniquet describe phases of tactical combat casualty care treat a cold weather injury treat a heat injury history identify significant events in marine corps history identify the historical significance of marine corps uniform items leadership apply the components of the decision cycle ooda loop describe marine air ground task force organizations describe operational security describe stresses of combat describe the code of conduct describe rights of a prisoner of war prepare for combat uniform code of military justice describe article 15 non judicial punishment describe article 31 rights of the accused

the story of sergeant major maurice jacques is the story of a true warrior with close to fifty months of combat in korea and vietnam he s one of that rare breed men who have looked the devil in the eye for a long time and never blinked ltcol oliver north usmc ret combat and death sacrifice and honor maurice jacques served for thirty years with the u s marine corps nearly six of them in combat as an accomplished infantryman parachutist recon patroller marksman combat swimmer and record setting drill instructor jacques personifies the hard fought hard won legacy of the marines with the help of bruce norton he recounts the lessons learned in blood and the courage tested under fire from the razor backed hills and icy cold of korea to the steamy vietcong infested jungles of nam in this tough gripping narrative he reveals the emotion and chaos of close combat and the sacrifice and valor that have made the marines legendary worldwide during his long dynamic career jacques held the position of regimental sergeant major in three different commands and was awarded two bronze stars and a purple heart maurice jacques is a true warrior as distinctive and exceptional as the marines he was expected to train harder fight harder sacrifice more and is forever proud to be part of the pain the pride and the triumph that is usmc doc norton has done it again this time doc has helped his old diving partner retired sergeant major maurice jacques turn out one of the finest military autobiographies you re ever likely to read you d be foolish to pass this one up ken miller vietnamgear com

this book is for the teenager or young adult who is interested in enlisting in the united states marine corps it will walk him or her

through the enlistment and recruit training process making the decision to join talking to recruiters getting qualified preparing for basic training and learning what to expect at basic recruit training the goal of the mcfarland joining the military book series is to help young people who might be curious about serving in the military decide whether military service is right for them which branch is the best fit and whether they are qualified for and prepared for military service features include lists of books web links and videos a glossary and an index

examines how military culture forms and changes as well as its impact on the effectiveness of military organizations

this book describes the organization of this formidable force from 1917 18 and details their uniforms insignia and decorations weapons and equipment though the us marines initially struggled to maintain their distinctive identity within the huge american expeditionary force in france their unforgettable performance at belleau wood soissons st mihiel blanc mont and the meuse argonne established their reputation as the most aggressive body of diehards on the western front alongside the text numerous photographs and eight full colour plates vividly depict the various ranks of the us marine corps
