the villagers is a story of the ruthless exploitation and extermination of an indian village of ecuador by its greedy landlord first published in 1934 it is here available for the first time in an authorized english translation a realistic tale in the best tradition of the novels of social protest of zola dostoevsky José Eustasio Rivera and the mexican novels of the revolution the villagers huasipungo shocked and horrified its readers and brought its author mingled censure and acclaim when it was first

published in 1934 deeply moving in the dramatic intensity of its relentless evolution and stark human suffering Icaza's novel has been translated into eleven foreign languages including Russian and Chinese and has gone through numerous editions in Spanish including a revised and enlarged edition in 1953 on which this translation is based but it has never before been authorized for translation into English his first novel but not his first published work *The Villagers* is still considered by most critics as Icaza's best and it is widely acclaimed as one of the most significant works in contemporary Latin American literature thirty years after its original publication in Ecuador *The Villagers* still carries a powerful message for the contemporary world and an urgent warning the conditions here portrayed prevail in these areas even today *The Villagers* is an indictment of the latifundista system and a caustic picture of the native worker who with little expectation from life finds himself a victim of an antiquated feudal system aided and abetted by a grasping clergy and an indifferent government

containing roughly 850 entries about Spanish language literature throughout the world this expansive work provides coverage of the varied countries ethnicities time periods literary movements and genres of these writings providing a thorough introduction to Spanish language literature worldwide and across time is a tall order however world literature in Spanish an encyclopedia contains roughly 850 entries on both major and minor authors themes genres and topics of Spanish literature from the middle ages to the present day affording an amazingly comprehensive reference collection in a single work this encyclopedia describes the growing diversity within national borders the increasing interdependence among nations and the myriad impacts of Spanish literature across the globe all countries that produce literature in Spanish in Europe Africa the Americas and Asia are represented covering both canonical authors and emerging contemporary writers and trends underrepresented writings such as texts by women writers queer and Afro-Hispanic texts children's literature and works on relevant but less studied topics such as sports and nationalism also appear while writings throughout the centuries are covered those of the 20th and 21st centuries receive special consideration

it is indispensable that Ecuador has peace but to have peace you need freedom and to have freedom you need justice and the Indian population needs justice president Gustavo Noboa January 23 2000 for five centuries the Indians had very little voice in Ecuador now they are major protagonists who seek more acceptable terms in which to coexist in a society with two vastly different world views and cultures that of Indians and that of the descendants of Europeans their recent political uprising has become the most powerful and influential indigenous movement in Latin America they have inspired other

indian movements throughout the continent author allen gerlach details the origins and evolution of the indian rebellion focusing on the key period of the last thirty years in the process he also presents a concise political history of ecuador gerlach infuses his text with an abundant supply of quotations from participants in the rise in ethnic politics bringing ecuador s history and the indians opposition to the country s government to life in addition indians oil and politics serves as a case study on what happens to a nation when its economy is based solely on one commodity in this instance oil the discovery of oil in the amazon in 1967 was a major factor in ecuador s modernization and also sparked the indians fight for their rights oil wealth wreaked havoc on the environment and cultures of the native people of the amazon and it did not end old traditions of political fragmentation and corruption gerlach explains that the indians fought back by forming federations to advance their interests and by joining forces with similar structures molded in the highlands of ecuador together they created the country s first truly national indigenous organization in 1986 conaie the confederation of indigenous nationalities of ecuador and by 2000 their movement was a major force to be reckoned with one which increasingly influenced state policy this book shows how the indians helped bring down two governments when massive demonstrations led to the fall of two regimes in 1997 and 2000 the indians battled for economic advancement but above all demanded respect for the dignity of their culture and for their moral and historical rights to their lands and territories this valuable case study of the politics of ethnicity will become increasingly useful for those interested in latin american politics
